

On November 17, 2007 the building Tucson Mountain Little League uses as a concession stand at Kennedy Park was vandalized and set on fire.

The scene showed evidence of burglary by vandals more than likely to burn and conceal their crime.

It took Firefighters 4 minutes after arriving to extinguish the fire, but not before the interior including the contents were damaged or destroyed.

As with a lot of Little League organizations, the concession stand is from which the majority of the money is raised for operating the league including paying required fees, obtaining insurance, supplying equipment and uniforms, etc.

To reopen the doors and effectively operate the concession stand we need all the help we can get. In addition to repairing the damage and replacing the contents it's our desire to secure the building for preventing such crimes in the future.

Tucson Mountain Little League needs you and the community to help us keep vandals from destroying the dreams of our children from playing baseball and softball. We can not do it without you!

Currently we have various fund raising efforts underway for restoring and securing the league concession stand, two in particular are:

Arizona Baseball Charities - We are 1 of 40 leagues invited to attend this year Arizona Baseball Charities event scheduled to take place February 10, 2008 at Scottsdale Stadium. We need a minimum of 50 people representing Tucson Mountain at the game for an initial amount of \$300 and the opportunity to receive as much as \$5000. Tickets are Free! Contact Julee 404-9763 and/or see <http://tmll.org/arsonhelp.html> for more information.

Field of Dreams Baseball Camp – This 2-Day clinic March 1st and 2nd is to take place at the “Field of Dreams” and is sponsored by Challenger Little League, Pima College, Centerfield and Velocity. Registration is \$80 prior to February 15, 2008 thereafter \$100.00. Half the proceeds go to Tucson Mountain. Contact Brian 578-7323 or James 240-1317 or see our website <http://tmll.org> for more information.

Thank you for your help in advance!
